Safety: Luxor Live attempts to create a working environment that is as safe as possible. We kindly ask visiting technicians to consider the safety of themselves, our employees, the artists and the audience when working in our venue. Luxor Live reserves the right to cancel or refuse certain parts of the show that, in our opinion, have safety issues. In light of this also think about wearing safety-shoes on load-in or outs.

If you have any doubts about this in regards to your show please contact us in advance so we can discuss the matter.

Decoration flammability: regarding the flammability of decorations we follow the rules as described in the NBR2011:01 "Brandveiligheid van decors, doeken en decoratiemateriaal". This (dutch) document can be found here: <http://docplayer.nl/15037675-Brandveiligheid-van-decors-doeken-en-decoratiemateriaal.html> and is also available through us on request. If an English explanation is required, please contact us for this documents highlights.

This or any other document in no way alters the right described in the previous section to cancel or refuse certain parts of the show if they have safety issues of any kind. Luxor Live always has the final say in safety disputes.

Backdrop: It is possible to hang a backdrop with the maximum dimensions of 4,5x3 m (WxH) and a maximum weight of 50kg.

Stage dimensions:

Concert Stage: Usually 5x3x0,70m.

Dance stage: Usually 4x2x0,4m w/ 4x2x1m booth on top.
